## Ms. Mélinna Nycholat, P.Eng. Vice-President, Operations-Procurement

Ms. Nycholat joined DCC in 1988 at the Canadian Forces Base in Gagetown, New Brunswick. Since then, she has served the Corporation in various capacities of increasing responsibility and locations across the country. She has overseeing various major construction projects for DCC, was the Manager for one of its permanent Site Offices in Nova Scotia, served as Area Manager for the Western Region, and later became the national Director for Contract Services in Ottawa. She is currently the Vice-President Operations for Procurement. Ms. Nycholat holds a bachelor of civil engineering from the Université Laval. She sits on the board of directors of the Canadian Public

Procurement Council, is an owner representative on the Canadian Construction Documents Committee, and sits on the Steering Committee of the Institute for BIM in Canada.
